TEAM COMMUNICATION

We believe communication between our coaching staff, swimmers and parents is extremely important. If there is an issue that you would like to discuss with the Head Coach the best method of communication is to call or send an e-mail. All e-mails and phone calls will be responded to within 24 hours. If you would prefer to talk in person with a coach please do so before or after practice. In order to provide your swimmer with the most fulfilling practice, please do not attempt to interact with a coach while he or she is conducting a practice.

E-mail System:

When you register for the swim team, you are asked to supply an e-mail address. Blast e-mails from the Head Coach are sent regularly to parents with information on practices, meets, special events and weekly newsletters. E-mail will also be used to communicate urgent messages such as emergency facility closures or practice cancellations.

TEAM SWIM SUIT/CAP/EQUIPMENT POLICY

Cornerstone Cyclones is proud to be a TYR sponsored team.

TEAM BATHING SUITS (Recommended):

All Cornerstone Cyclones swimmers are recommended to have team bathing suits. These suits are to only be worn at swim meets. PRACTICES

Practices are designed by the coaches to teach and enhance swimming techniques, endurance, and speed. Training aids such as kick boards, pull buoys, hand paddles and fins may be used. Sets of drills that involve kicking, swimming, and pulling in all four strokes are taught. The coaches try to make each workout both interesting and challenging and they use every opportunity to respond to each individual's effort with reinforcement and praise.

Practice Policies:

The following policies will be enforced on a regular basis. They are instituted in order to ensure the safety of all swimmers, maintain a quality program and establish a respect for the practice, of the coaching staff's time, and to eliminate disruptions to practice and/or meets.

1. All swimmers are expected to take a shower prior to entering the pool: by law for health reasons.
2. All swimmers are to arrive on deck ON TIME and prepared to swim – with suit, goggles, cap and a bottle of water (no other beverages please).
3. Please no parents on deck. Parents are welcome to stay and watch practice. However, all and any communication with coaches should be done at the conclusion of practice.
4. After practice, swimmers are asked to keep their shower brief as we have a large team and we need to make sure everyone has a turn in a timely manner.
5. Please lock all valuables in locker room as we are not responsible for lost or stolen items. In order to receive a locker you must check in with the desk staff and provide a collateral item to exchange for a key (i.e. membership card or student ID). SWIM MEETS

It is very important that the Head Coach know how many swimmers will be attending each meet. While we understand that illness and other unexpected things arise from time to time, the commitment from our swimmers and parents to take ownership in their meet attendance is essential to our ability to run smooth and successful meets.

Meet Policies:

In order to help the coaches create lineups for each meet the following guidelines should be followed.

1. Each swimmer is expected to attend every swim meet!
2. Each swimmer is required to register for each swim meet via the RECDESK online portal or in person. The coaches will create the lineups off this master attendance listing.
3. Meet registration deadlines will be noted in RECDESK under each individual meet and it is crucial that you sign up before the deadline in order to ensure your child will be able to swim. If you need to leave early/arrive late to a meet please make sure you make note of that when you sign up as well. We will not accept any late entries!
4. If there is an unexpected absence (kids get sick, etc.) that impacts a swimmer's meet attendance please send an e-mail to the head coach or call/text.
