

CORNERSTONE AQUATICS CENTER

Dear Cornerstone Aquatics Center Members and Families,

The Town of West Hartford has scheduled a facility shutdown for annual preventative maintenance, upgrades and deep cleaning of Cornerstone Aquatics Center. The facility will be closed for different stages during the month of June, beginning Sunday, June 2. The Lap Pool and Gym will reopen on Monday, June 17; the Recreation Pool will remain closed and reopen on Monday, July 1.

We anticipate the reopen dates to be on schedule and will notify the membership if we have any delays.

The Cornerstone management team will make accommodations for our membership to use the Greater Hartford YMCA and the Jewish Community Center during the shutdown period. We will have hours of usage posted before the shutdown.

Sincerely,

Your Cornerstone Management Team
