

Cornerstone Membership Update

As you all may have heard by now, our facility shut down on March 14 as part of the Town of West Hartford's emergency action plan to mitigate the spread of COVID-19.

We want all of our members to know that we have put all memberships, Gold & Platinum, on hold starting on 3/14, until we can re-open again. We do not know how long we will be shut down for, but all memberships will be extended for whatever that time frame may be.

We will continue to be in communication with the Town of West Hartford and HealthFitness and keep everyone updated with any new information we receive. In the meantime, we hope that our Cornerstone family is safe and healthy. We look forward to seeing everyone back at the pool!

What is happening at Cornerstone?

During this unexpected closure, our cleaning company will be spending *extra* time on the following areas:

- Deep cleaning all lockers, inside and out
- Cleaning all windows, inside and out
- Dusting & cleaning all vents and light fixtures
- Scrubbing drain covers
- The spa will be fully drained and scrubbed
- Pool gutters will be cleaned out
- Disinfecting doors and all flat surfaces (counters, window ledges, etc.)
- Wiping down all gym equipment

WINTER 2 SWIM CLASS PARTICIPANTS:

Due to recent events, the remainder of the Winter 2 session has been cancelled.

All participants will receive a household credit at this time.

As with many businesses and schools, we are uncertain when our doors will be back open. Therefore, we do not have a spring session schedule posted at this time. We will keep everyone up to date as soon as we have more information.

**Stay safe and healthy!
